DISCOVER THE POWER OF FINANCE

The FOX MASTER OF SCIENCE IN INVESTMENT MANAGEMENT (MSIM) will provide students with cutting-edge financial skills to standout in today’s competitive global economy. The Fox MSIM curriculum raises the benchmark for programs supporting the Certified Financial Analyst (CFA®) designation. MSIM students may pass CFA® Level I and II exams during the MSIM program’s 10-month timeframe.

WELL-BALANCED CURRICULUM
The principles of corporate finance and fundamental analysis are the foundation for value-based investing. At the same time, specialized products and quantitative portfolio strategies offer alternative risk-reward opportunities. Our 10-month MSIM program develops similar broad financial expertise. MSIM students enjoy a rewarding breadth of study encompassing:

- Corporate Finance
- Corporate Finance
- Asset Pricing
- Corporate Value Management
- Applied Corporate Finance
- Entrepreneurial Companies
- Financial Accounting
- Financial Accounting
- Financial Reporting & Analysis
- Portfolio Management
- Investment Management
- Alternative Investments
- Quantitative Portfolios
- Behavioral Finance

- Financial Markets
- Fixed Income
- Global Economy
- Structured Finance
- Risk Management
- Financial Institutions and Risk
- Derivative Markets
- Financial Risk Management
- Statistical Analysis
- Financial Econometrics
- Financial Time Series
- Professional Skills
- Ethics and Leadership

The MSIM curriculum is grounded in leading-edge research and real-world experience. MSIM coursework emphasizes industry best practices and the role of financial technology.

PROFESSIONAL DESIGNATION
MSIM students enjoy a rigorous curriculum that supports professional certification. MSIM coursework reflects the CFA® Level I-III Body of Knowledge and offers MSIM students the option to pursue CFA® Level I and II exams during the program’s 10-month timeframe. Professional certification is supported with weekly CFA® exam review sessions. MSIM students may pass the final CFA® Level III exam one year following graduation.

CAREER ADVANTAGE
The Fox MSIM program offers an attractive industry-matched curriculum. In 10-months, MSIM students can fast-track to new career opportunities with a distinguished professional pedigree. MSIM graduates may also pursue doctorate studies. To this end, MSIM students enjoy individualized educational support and career counseling tailored to their unique program—a special commitment and dedication that is a hallmark of our professional masters programs in finance.

APPLICATION DEADLINES
Fall Deadlines:
- December 10—Early Decision/Scholarship Priority Deadline
- March 1—International Applicants
- May 31—All Domestic Applicants
- June 30—Late Deadline

APPLICATION CHECKLIST
Application Form—It is recommended that all prospective applicants apply online: http://www.fox.temple.edu/apply. Please include all institutions of higher education in which you were enrolled in six credits or more, including telephone numbers, e-mail and mailing addresses.

Test Scores must be sent directly by ETS or Pearson VUE to Temple University using the appropriate school codes:
- GMAT—school code varies by program
- GRE—ETS school code 2906-4201
  - Required if bachelor’s degree awarded outside of the US:
    - TOEFL (ETS school code: 2906-02) or
    - IELTS (Int’l English Language Testing System)
  - Required TOEFL minimum: 600 (paper), 250 (computer), 100 (internet)
  - Required IELTS minimum 7.5

Official transcripts—All colleges and universities in which you enrolled with 6 credits or more. International applicants must submit independent academic evaluations from WES (www.wes.org) or ECE (www.ece.org) with their transcripts/marksheets if they miss the March 1st application deadline

Two Letters of Reference—Professional references are preferred, though academic references are also acceptable. References should be able to evaluate or assess the applicant’s on-the-job performance or academic abilities. Narrative letters to the admissions committee or Fox reference forms are accepted.

Essays—There is one required essay and one optional statement. Current essay topics and questions are listed online.

Current Professional Resume

Interview—Admissions interviews are by invitation.

Application Fee—$60.00 USD, payable to Temple University (non-refundable).
