Organize Course Display: How to Adjust Courses Listed on Blackboard

1. Log into Blackboard
   a. On the dashboard, “My Courses” lists all of the courses you teach.

2. Hover over “My Courses,” and select the small gear on the right upper corner of the module.

3. Uncheck the course names you want to hide, and check the course names you want to see.

4. Click “Submit” at the bottom of the list.
