Here's what the career outcomes for 2019 Global MBA graduates looked like*:

86.84%

of job-seeking students had **secured a position within three months** of graduation.

51.52%

reported receiving **a signing bonus**.

\$102,769

mean salary based on 26 reported salaries.

**Data approved accurate as of 06/18/2020.*

"CSPD has been a great resource for me. I secured an internship interview on my own, but after I let CSPD know about it, they helped me prep for the second round of interviews and introduced me to a former Fox student who had done the internship and gotten an offer and was currently working at the same company. It was great to be able to build that connection and speak with that person ahead of time."

Why Employers Hire Fox Grads

“ At Bimbo Bakeries, we look for candidates who can handle more than data-crunching—our associates need to be able to communicate and make recommendations to other departments and senior leaders. Fox alumni don't get discouraged when there's a lot of complexity, and they bring a lot of passion, hard work and motivation to push through any problem.”
