ACCOUNTING INSTITUTE SUMMER SCHOLARSHIPS

ABOUT TEMPLE PRE-COLLEGE PROGRAMS

Temple Pre-college programs are excellent opportunities for high school students to experience what life is really like as a student at Temple University. Open to students entering grades 10 through 12 in the fall, prorams allow you to explore potential majors through noncredit workshops, experience residential life on Temple's campus, and network with Temple's faculty and potential future classmates.

JOIN THE ACCOUNTING INSTITUTE

The Accounting Institutes are two of the noncredit workshops available as part of the Pre-college Workshops program offered this summer. If you are interested in business, you are invited to apply for one of these workshops, where you'll gain hands-on experience and learn from professionals in the field. Full scholarships are available, with priority given to students attending a Philadelphia public or charter high school.
