CONNECTING STUDENTS WITH CAREER OPPORTUNITIES

HANDSHAKE

Handshake is an innovative recruitment and career management platform used by CSPD and Fox students. This is where Fox students can find employers looking to hire business majors for jobs and internships. Log in with a Temple AccessNet ID at temple.joinhandshake.com.

EMPLOYER INTERVIEWS

CSPD hosts numerous employers on-campus and virtually each semester to interview Fox students for internships, co-ops or full-time career opportunities. Students may apply for these interviews through Handshake.

FALL & SPRING CONNECTIONS

Our Fall and Spring Connections are networking events with employers who are recruiting talent for internships, co-ops and full-time post-graduation opportunities.

MOCK INTERVIEWS

CSPD's corporate partners assist with the professional development of our students through their participation in mock interviews. Students not only get to simulate the process through these practice interviews, but they have the opportunity to identify strengths and areas for improvement based on employer feedback.

EMPLOYER RESUME CRITIQUES

The employer resume critique is an opportunity for students to meet with an industry partner and receive one-on-one feedback.

INFORMATION TABLES

Information tables offer students an opportunity to network with representatives from a Fox industry partner in an informal setting. Students gain insight into the job search process as well as learn about organizations and available job opportunities.

PROFESSIONAL DEVELOPMENT WORKSHOP SERIES

Employers offer one-hour presentations on a variety of professional development topics to help students gain firsthand knowledge from the employer's perspective.

STUDENT PROFESSIONAL ORGANIZATION (SPO) SPEAKER SERIES

Students who have joined industry-specific Student Professional Organizations (SPOs) have the opportunity to join events with industry representatives speaking on current and relevant topics. View our SPOs at fox.temple.edu/SPO.

At Temple University's Fox School of Business, we offer more than a curriculum – we offer an experience.
