- Temple University Impact Summit. (2024). The conference that invited scholars and academics to discuss ways to bridge the gap between research and practice.

TEACHING EXPERIENCES

My teaching experiences and philosophy can be summarized by **4Cs**: Community, Content, Context, and Critical thinking. I strived to form the **Community** that everyone feels included and welcomed, conveyed the **Context** of workplace dynamics to undergraduate students and delivered the **Contents** of findings to MBA students, and organized class materials to foster students' **Critical thinking**.

Sogang University & Korea Management Association Consultants Inc.
