EXPERIENCE

[Fox School of Business](#), Temple University, Philadelphia

PhD (International Business)

AUG 2017 - PRESENT

I am working with Prof. Charles Dhanaraj on research projects related to learnings by MNE exits from countries as well as role of Venture Funds in early stages of international expansion. I have co-authored a case study on transformation of MPhasis Ltd, an Indian IT company, and am working towards writing one more.

[Willow Investment Management LLC](#), New Delhi & New York

Co-founder and Portfolio Manager

JUN 2012 - PRESENT

I co-founded and co-manage Willow India One LP, a value-based, India-focussed fund investing in Indian listed securities. The fund has been able to generate significant outperformance since inception. We use many aspects of investor psychology as well as India-specific quirks to identify and invest in opportunities.

[Sunstone Business School](#), New Delhi

Faculty

JUL 2011 - MAR 2017

I taught various Finance, Accounting and Economics courses for the PGPM program for Sunstone. I am one of the most popular instructors at Sunstone raking high feedback from students. Most of my courses are structured as a set of *workshops* which keeps students engaged. I have delivered over 1000 hours of live online and over 300 hours of offline instruction at Sunstone.

[Angel Investor & TiE Charter Member](#), New Delhi & New York

APR 2013 - PRESENT

I invest in and advise early-stage companies (startups) in India. I am a Charter Member at TiE, New York.

EDUCATION

University of Texas, Dallas, TX

M.B.A.

JAN 2002 - DEC 2003

I specialized in Finance. I was a sponsored M.B.A. candidate of Cisco Systems Inc.

Indian Institute of Technology, New Delhi, India

5-year (Integrated) B.S. & M.S. in Math & Computers

AUG 1993 - JUN 1998

I learnt advanced Math and Computer Applications topics. My final project was on Cryptography.

SKILLS

International Business

Finance & Investments

Creating & delivering engaging accounting & finance courses
