INDUSTRY EXPERIENCE

WILSHIRE BANK Los Angeles, California **August 2014 – April 2015**

Loan Assistant – West Loan Center

- Monitored existing loans and collected necessary documents per loan agreements: tax returns, financial statements, etc.
- Performed cash flow analysis to evaluate loan repayment abilities of existing and potential clients.

HYUNDAI HEAVY INDUSTRIES Seoul, Korea **September 2012 – April 2014**

HHI is the leading shipbuilding company in the world. It is currently the 7th largest conglomerate in Korea in terms of total assets.

Business Analyst – Financial Planning Department, Corporate Planning Office

- Analyzed the financial statements and reviewed performance of subsidiaries of HHI and created PowerPoint reports for the CEO on a monthly, quarterly, and annual basis.
- Evaluated credibility of annual revenue goals and forecasts submitted by subsidiaries.
- Participated as a main member in group-wide projects including Group ERP Development (extensive use of Excel-based software), Group Annual Report, and Strategic Enterprise Management (SEM) Implementation projects.
- Group ERP project (The designated power user of HHI Group): monitored dashboard, edited/developed EPM spreadsheets, and acted as the point of contact in the corporate planning office for the subsidiaries and vendor.
- Successfully carried out rapid turnaround ad-hoc requests from the management.
- Translated HHI Group's 2013 Earning Report from Korean to English.

NARA BANK Los Angeles, California **June 2009 - April 2010**

Nara Bank is a Korean-American commercial bank headquartered in Los Angeles.

Loan Officer Trainee – Corporate Banking Center **3 months**

- Researched industries and analyzed financial statements to evaluate the ability of the clients to make loan payments.

Operations Specialist – e-Banking Team **8 months**

- Performed all e-banking tasks including remote deposit system set up/maintenance, on-line banking set up, etc.
- Visited remote deposit clients on average of two times per month for troubleshooting.

ZIN CORPORATION Seoul, Korea **July 2008 – May 2009**

ZIN is a high-tech company that sells hardware and software for supply chain management.

Associate

- Researched global manufacturers of barcode-related products and prepared reports for the CEO.
- Translated barcode equipment manuals from English to Korean and vice versa.
