

Mr. Liang Zhengkang
zhengkang.liang@temple.edu

EDUCATION

09/ 2011 - 07/ 2015 Beijing University of Posts and Telecommunications (BUPT)
School of International Major: Internet of Things Engineering
GPA: 3.5 /4.0 Degree: Bachelor of Science of Engineering

08/ 2015- 05/ 2017 The George Washington University (GWU)
Department of Statistics Major: Statistics
GPA: 3.83/4.0 Degree: Master of Science

08/ 2017- Now Temple University
Department of Statistical Science Major: Statistics
GPA: 3.92 /4.0 Ph.D Candidate

TEACHING EXPERIENCE

08/2016 – 12/2016 Teaching assistant for STAT4157, Department of Statistics, The George Washington University

08/2017 – 12/2017 Teaching assistant for STAT1001, Department of Statistical Science, Temple University

01/2018 – 05/2018 Teaching assistant for STAT1102, Department of Statistical Science, Temple University

RESEARCH EXPERIENCE

06/2018 – 08/2018 High-dimensional problem with Bayesian framework.
Supervisor: Sanat Sarkar and Zhigen Zhao

RESEARCH INTEREST

- 1. Bayesian Methods**
- 2. High Dimensional Data Analysis**
