Research Assistant Professor of Management Information Systems, Temple University (Philadelphia, PA). Full-time.

Teach undergraduate and graduate courses and conduct research in Management Information Systems, including Data-Centric Application Development. Maintain an ongoing record of scholarship, engage students in academic and career advising, and participate in service to the Department, School, and University.

Must have a Ph.D. (or foreign equivalent) in MIS, Statistics, Mathematics, or a closely-related discipline; a record of publications in leading journals or conference proceedings; and at least one semester (4 months) of applicable teaching experience (full- or part-time).

Applications should include (a) cover letter, (b) full curriculum vitae, (c) a brief statement of current and future research interests, (d) evidence of excellence in teaching (i.e., evaluations), and (e) the names and contact information for three references.

Kindly submit the above items electronically to:

Temple University of the Pennsylvania Commonwealth System of Higher Education serves over 40,000 students around the globe, and is one of the three major state-related, research universities in Pennsylvania. Established in 1918, and with over 9,000 students and more than 200 full-time faculty, the Fox School of Business is one of the largest, most comprehensive business schools in the region and nation, offering Bachelors, Masters, Executive Masters, PhD and Executive DBA Programs in traditional and specialized areas at urban and suburban campuses in the Philadelphia region and worldwide.

Philadelphia is the fifth largest city in the United States and is a major cultural center with a high concentration of dining and other attractions, as well as easy international access. Housing and living costs in Philadelphia are among the lowest of major U.S. cities. Philadelphia also has a significant presence of IT, financial services, pharmaceutical and other industries, providing opportunities for interaction with businesses and research.

Temple University is an Equal Opportunity/Affirmative Action Employer and specifically invites applications from women and minorities.

Temple University’s Annual Security and Fire Safety Report contains statistics, policies, and procedures related to campus safety and can be found at www.temple.edu/safety/asfr/. You may request a copy of the report by calling Temple University’s Campus Safety Services at 215-204-7900.

Additional information is available from the university, college and department websites at: www.fox.temple.edu.
