TEMPLE UNIVERSITY’S
RIVER WARD
SCHOLARSHIP
FUND

A grassroots dream that the lives of each generation will be better than the last.
THE RIVER WARD SCHOLARSHIP FUND

This fund was conceived by a team of alumni from the Fox School of Business who saw an opportunity to give back to the neighborhoods they were born in, played in and worked in before setting off in their careers.

$5,000 SCHOLARSHIPS
Awarded to eligible Fox School and School of Sport, Tourism and Hospitality Management students who grew up in Port Richmond, Bridesburg, Kensington and Fishtown, or whose parents grew up in those neighborhoods.

Our River Ward neighborhoods—Port Richmond, Frankford, Kensington and Bridesburg—were built by parents’ and grandparents’ and great-grandparents’ dreams that the lives of their daughters and sons will be better than their own.

It is a dream built on hard work, personal integrity, toughness and will. It is built from long nights in a light bulb assembly line and back-breaking mornings stacking crates to put away a few dollars more for the next generation's education.

By contributing to the River Ward Scholarship Fund, you are helping the next generation of kids from our neighborhoods build a better life for themselves. You are honoring the thousands of parents and grandparents who raised us to believe that hard work means something and that dreaming has value.
